The Barn – Macdonald Valley Events – Sample Supplier List

Here is a starting point to creating the event of your dreams.

We have no commercial relationship with these passionate service providers, and you should always ask for a fixed price written quote, plus a copy of their business insurance certificate of currency, where relevant.

Our list does favour local and Hawkesbury vendors, wherever possible.

Accommodation

Of course, The Shack, adjacent to The Barn is your first go to for onsite accommodation, and package hire deals are available – max 4 persons, so just ask.

The Macdonald Valley also has a very wide range of short term rental options available, and they are easy to find. Those within walking distance of The Barn are...
